CRIME DETERRENTS

- A Neighborhood Watch Program has been in effect since 2006. Contact Karen Page at 698-1478 for the names of street captains or more information.
- The community also uses the the mobile phone app Village Defense with is available as a download for both iOS and Android devices.
- Every house should have a light at the curb. Please have your lawn gas lights repaired and in good working order.

- Please report suspicious activities and cars to the East Ridge Police at **622-1725**. This is one of the best deterrents to crime in our neighborhood.
- Report any theft to our mayor.

SECURITY ALARMS

WELCOME NEWCOMERS

Katy Ingvalson.....katy.ingvalson@comcast.net / 624-4524

Please notify of any changes in residency on your street.

We want to make all newcomers feel welcome and to assist them in any way we can. The Annual July Ice Cream Social recognizes all new neighbors that have moved in to the neighborhood in the last year.

ANNUAL CHRISTMAS LIGHTING (Luminaires)

Richard Van Delft and Robert Self.....Enjoyourday@aol.com/624-5978

The traditional luminaries are usually placed the Monday and Tuesday before Christmas.

White paper bags distributed to you by your street chairman are placed approximately 15 feet apart, down both sides of the streets between 6:00 PM and 9:00 PM on these two nights

Sand is provided by the Community Club to serve as an anchor to keep candles in place within the sacks and to keep the sacks from blowing over. Sand is usually placed at the pool parking area for residents to pick up.

Inventive folks use bricks with holes as candleholders or votive candles set down in tuna cans filled with sand. Whatever works for you is great!

If your street frontage requires more than 12 candles, the club will provide extras. Notify your chairman when your bags are received.

We appreciate all residents' cooperation in carrying on this tradition. If you are unable to participate because of ill health or out-of-town plans, notify your chairman at the time the bags are distributed so arrangements can be made for someone to light and tend your candles.

In case of rain or snow at 2:30 the day of the lighting, the lighting will not be carried out that evening.

Maintenance will pick up all bags and candles the Wednesday after the lighting, unless you have picked them up to save.

On nights of lighting, **no cars** should be parked on the streets at all.

Please note the open houses will be held on Monday night only.
